

Monday, August 29, 2005:  
1,836 dead and 275,000 homes  
destroyed after levees fail in  
Hurricane Katrina.

Today across America, the  
American Society of Civil Engineers  
reports that 3,650 dams and  
levees are still unsafe.

# BUILD AMERICA so AMERICA WORKS

**TELL CONGRESS TO BUILD AMERICA.**

Go to [www.LiunaBuildsAmerica.org](http://www.LiunaBuildsAmerica.org) and sign the **Petition to Build America**. You can also sign by texting the word BUILD and your LAST NAME on your cell phone to the number 69866 or by calling 1-866-591-9084.

**LIUNA!**

The half-million members of LIUNA—the Laborers' International Union of North America—are on the forefront of the construction industry, a powerhouse of 10 million workers who build America.
